

## isee.NET Framework Software Development Kit License Agreement

Please read this document carefully. This is a legal agreement between you and isee systems, inc. ("ISEE") that governs your use of the isee.NET Framework Software Development Kit and any associated software code, documentation or other materials made available by ISEE (collectively referred to in this Agreement as the "SDK"). This Agreement also applies to any updates, supplements, add-on components, or services for the SDK that ISEE may subsequently provide to you, unless other terms accompany those items. In that case, to the extent they conflict with this Agreement, those other terms will apply.

**BY INSTALLING, ACCESSING OR OTHERWISE USING THE SDK, YOU ARE AGREEING TO BE BOUND BY THE TERMS AND CONDITIONS OF THIS LICENSE. IF YOU DO NOT AGREE TO THEM, DO NOT INSTALL, ACCESS OR USE THE SDK, AND YOU WILL RECEIVE A CREDIT FOR THE SDK IF, WITHIN 30 DAYS FROM THE DATE OF DELIVERY, YOU (1) REMOVE THE SOFTWARE FROM YOUR COMPUTER; AND (2) CERTIFY IN WRITING THAT YOU (a) HAVE NOT ACCESSED OR USED THE SDK; (b) HAVE REMOVED ALL FILES FROM YOUR COMPUTER; AND (c) HAVE NOT TRANSFERRED THE SDK TO ANYONE ELSE. IF YOU DO NOT DO SO WITHIN 30 DAYS FROM THE DATE OF DELIVERY, THEN YOU ARE DEEMED TO HAVE ACCEPTED THE TERMS OF THIS LICENSE.**

### Licenses

1. **Use of the SDK - Developer License.** Subject to the terms and conditions of this agreement and payment all applicable fees, ISEE hereby grants to you a non-exclusive and, except as set forth in this agreement, a non-assignable and non-transferable, right to install and use the SDK to develop custom applications and web interfaces to models created with *iThink*® and STELLA® software.

#### **Developer License Restrictions**

**1.1 A Developer License does not include the right to redistribute any custom application or web interface developed using the SDK. In order to redistribute the simulation engine provided with the SDK that is embedded in your application, you must purchase an Engine License.**

**1.2 Transfer Restrictions.** The SDK is licensed to only you, the Licensee. In no event may you share the SDK or transfer, rent, sell, or otherwise dispose of the SDK on a temporary or permanent basis without the prior written consent of ISEE.

2. **Redistribution of Simulation Engine – Engine License.** In order to redistribute the simulation engine included in the SDK, you must pay an additional fee to purchase an Engine License. Desktop Engine Licenses suitable for stand alone desktop applications are sold on a per-PC or per-machine basis. Server Engine Licenses are suitable for publishing simulations on an internal server or web site that does not host a commercial web application. If you are interested in a license to host a commercial web application, please contact ISEE. If you have purchased an Engine License, then subject to the terms and conditions of this agreement and payment all applicable fees, ISEE grants you a world-wide, non-exclusive, non-transferable

license to redistribute the SDK simulation engine embedded in your custom application or web interface.

### **Engine License Restrictions.**

For every SDK Simulation Engine that you redistribute pursuant to an Engine License you must:

2.1 Require end users to agree to terms that protect the ISEE Simulation Engine at least as much as this agreement, including a warranty disclaimer as follows:

**“The isee Simulation Engine software contained within this application is proprietary to isee systems, inc., and is licensed to [Licensee] for distribution. isee systems, inc. makes no warranties whatsoever, express or implied, regarding the Simulation Engine or Licensee’s application, including warranties with respect to merchantability, fitness for any particular purpose, or infringement.”**

2.2 Indemnify, defend, and hold harmless ISEE from any claims, including attorneys fee, related to the redistribution or use of the SDK Simulation Engine included in your application;

2.3 Not alter any copyright, trademark or patent notice in the Simulation Engine.

### **Terms applicable to Both Developer and Engine Licenses**

3. **Educational Version.** To purchase A Developer License or Engine License at a reduced license fee you must be a Qualified Educational Institution, which is either: (a) a University or College licensed by the appropriate authority, or (b) a kindergarten through twelfth grade (“K-12”) educational institution licensed by the appropriate authority; or a full or part-time student, faculty, or administrator at a Qualified Educational Institution. If you purchase an educational version of the SDK at the reduced price, you may not use the SDK for a commercial purpose or sell or transfer it to a commercial user.

4. **Ownership of SDK.** The SDK is licensed, not sold. As Licensee, you own the magnetic or other physical media on which the SDK is recorded, but ISEE retains all right, title, proprietary interest in, and ownership of the SDK. The SDK is protected by copyright laws and other intellectual property laws and treaties. Any reproduction or redistribution of the SDK not in accordance with this Agreement is expressly forbidden. You may not reverse engineer, decompile, disassemble the SDK or modify, adapt, translate or create derivative works of the SDK except in accordance with this Agreement or with the prior written consent of ISEE. You may be held legally responsible for any infringement that is caused or encouraged by your failure to abide by the terms of this Agreement. You may make one (1) copy of the SDK solely for archival or back-up purposes, provided such copy contain the same proprietary notices as appear in the original copy of the SDK.

5. **Termination.** This license is effective until terminated. You may terminate this license at any time by destroying the SDK, related documentation and all allowable copies thereof. This license is subject to immediate termination if you fail to comply with any provision of this license.

Upon termination you shall cease all use of the SDK and destroy the written materials and all allowable copies of the SDK (including backup copies).

**6. Limited Warranty on Media.** ISEE warrants the compact disc (CD) on which the SDK is recorded to be free from defects in materials and workmanship under normal use for a period of ninety (90) days from the date of your receipt. ISEE's entire liability and your exclusive remedy as to the CD shall be replacement of the defective CD that is first returned to us. Any replacement CD will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer.

**7. Disclaimer of Warranty.** THE SDK AND ANY SERVICES PROVIDED IN CONNECTION THEREWITH ARE PROVIDED "AS IS" WITHOUT WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AND ISEE SPECIFICALLY DISCLAIMS THE IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE, MERCHANTABILITY, AND NONINFRINGEMENT. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY ISEE, ITS DEALERS, DISTRIBUTORS, AGENTS OR EMPLOYEES SHALL CREATE A WARRANTY, AND YOU MAY NOT RELY UPON SUCH INFORMATION OR ADVICE.

**8. Limitations of Remedies.** TO THE MAXIMUM EXTENT PERMITTED BY LAW, NEITHER ISEE NOR ANYONE ELSE WHO HAS BEEN INVOLVED ON BEHALF OF ISEE IN THE CREATION, PRODUCTION OR DELIVERY OF THE SDK OR ANY SERVICES PROVIDED IN CONNECTION THEREWITH, SHALL BE LIABLE FOR ANY SPECIAL, CONSEQUENTIAL, OR INCIDENTAL DAMAGES (INCLUDING DAMAGE FOR LOSS OF BUSINESS PROFIT, BUSINESS INTERRUPTION, LOSS OF DATA, AND THE LIKE) ARISING OUT OF THE USE OR INABILITY TO USE THE SDK, EVEN IF ISEE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL ISEE'S TOTAL CUMULATIVE LIABILITY FOR LOSS OR DAMAGE UNDER THIS AGREEMENT EXCEED THE AMOUNT OF LICENSE FEES PAID BY YOU FOR THE SDK GIVING RISE TO THE CLAIM.

**9. Export Compliance.** You may not export or re-export the SDK in violation of any applicable laws or regulations including, without limitation, U.S. export regulations or the laws of the country in which you reside.

**10. U.S. Government – Restricted Rights.** The SDK is provided with RESTRICTED RIGHTS. Use, duplication, or disclosure by the U.S. Government is subject to the restrictions set forth in this License and as provided in FAR 52.227-19 (1987), FAR 212(a) (2006) or DFAR 252.227-7202-1(a) and 227.7202-3(a) (2005).

**11. Choice of Law and Forum.** This Agreement shall be governed by the laws of the State of New Hampshire without regard to that body of law known as conflicts of law, and excluding the United Nations Convention on Contracts for the Sale of Goods. You agree that any dispute arising under this Agreement shall be brought solely and exclusively in a court of competent jurisdiction located in the state of New Hampshire, USA, and agree to submit to personal jurisdiction in the State of New Hampshire for that purpose.

**12. Complete Agreement.** This Agreement constitutes the complete and exclusive statement of the terms of the agreement regarding the SDK between you and ISEE. It supersedes and replaces any previous or contemporaneous written or oral agreements and communications relating to the SDK.

13. **Waiver/Modification.** No waiver or modification of the terms of this Agreement shall be effective unless ratified in writing and signed by both you and ISEE. This Agreement will not be amended or modified by the terms of any purchase order or acknowledgement, regardless of whether ISEE may have accepted or signed the same. Any party's failure to enforce the provisions of this Agreement shall not constitute or be construed as a waiver of any other provisions or rights.

14. **Severability.** If for any reason a court of competent jurisdiction finds any provision of this Agreement, or portion thereof, to be unenforceable, that provision of the Agreement shall be enforced to the maximum extent permissible so as to effect the intent of the parties, and the remainder of this Agreement shall continue in full force and effect.
